Dear Parents/Carers,

Stephenson (MK) Trust are excited to announce that Bridge Academy Central and Bridge Academy South will be merging on to one school site. The base for this will be at Bridge Academy Central, Coffee Hall, supporting Y7 - 11 students offering a provision that reflects mainstream secondary schools in Milton Keynes.

At Bridge Academy we pride ourselves in our Trauma Informed approach and would like to introduce a mature setting for our students coming into and returning to the Stephenson (MK) Trust Post 16 Centre, so **as of Monday 4th July, all students joining our Post 16 provision will be attending our Manor Road site – via the Oakwood Drive entrance, Bletchley, MK2 2HP.**

There will be two induction days that students are required to attend successfully on Wednesday July 13th and Thursday July 14th to secure their place in September. The programme for these days will follow in a further letter and will be available on our website.

For those students that receive taxi transport provided by Milton Keynes County Council, your arrangements will remain unchanged. However, the majority of Post 16 students are required to make their own way to and from centre. There is a bus stop across from the new site and students can apply for an 'All in 1' Card that will allow them to travel on any bus journey for £1.10. Please contact the school for a paper application.

Should you have any queries regarding transport please contact the school office on 01908 889410 where we will be happy to assist you, and likewise if you would like to speak to staff about any concerns you have over the move to our new location.

We thank you for your continued support.

Yours sincerely,

James Sisk
Head of School
Bridge Academy
