27 September 2022

Dear Parent/Carer

Following on from your child's start at the Post 16 Centre, we have recognised that we have a small number of students that would really benefit from being able to access transport to and from school through our centre in these times of rising expenses and difficulty in using public transport to access our school.

Therefore we would like to offer your child a place on our Post 16 transport route that will make three stops in the mornings for pick up, and three stops in the afternoons, on all four days students are required to be in school, starting from Tuesday 27<sup>th</sup> September 2022.

The first stop will be at:

**Pepper Hill First School**

Kingsfold, Bradville, Milton Keynes MK13 7BQ - 8:05am

The second stop will be at:

**The Conniburrow Community Centre**

Conniburrow Blvd, Conniburrow, Milton Keynes MK14 7DX – 8:15am

The third and final stop will be at:

**Netherfield Community Centre**

Farnborough, Netherfield, Milton Keynes MK6 4HS – 8:30am

Students must be at the agreed pick-up point on time ready for collection. If students are not there at the agreed times above, the driver will not wait, because this may result in other students getting into school late.

Please confirm whether your child would like to use this option to get to and from school so that we can ensure we are offering this service to those that require it most.

If you have any questions or concerns with regards to transport, please call 01908 889410, or email us at [P16-Reception@stephensontrustpost16centre.org.uk](mailto:P16-Reception@stephensontrustpost16centre.org.uk)

Yours faithfully,

Ms Christine Dehnel  
Assistant Principal  
Stephenson Trust Post 16 Centre
